How to get to Helfred Farms

The above map shows the location of Helfred Farms from Des Moines.

Parties coming in by motor from the south over Highway 65 can turn off on the Army Post Road just south of Des Moines and drive directly west to the farm. This is a good gravel road. Watch for the big sign indicating the location of the farm on No. 65. Coming in from the north, follow West Grand Avenue west on Route 90 to town of Commerce. There will also be signs there indicating the route to the farm. The same applies to parties coming in over Highways Nos. 6 or 7. We shall endeavor to have road signs so placed at these strategic points that strangers will have no trouble finding their way to the farm.

Come early and inspect the cattle before the sale begins. Lunch on the farm at 12:00 o'clock, served by the ladies of one of our community churches. Sale begins at one o'clock.

WATCH FOR THE ROAD SIGNS

The ANNOUNCEMENT

ALL Breeders and those interested in Shorthorn Cattle are cordially invited to attend this our sixth annual sale to be held at Helfred Farms, Saturday, November 19th, 1938. We have had a most successful show season. With but one exception all our show herd was bred at Helfred Farms. Some of the show herd will be sold in this sale. Balance of the sale cattle are either sired by, or bred to the bulls that sired our show cattle.

We believe and well informed persons who have visited the Farm confirm our opinion that no better lot of cattle will be offered in America this year. This sale presents a splendid opportunity to the critical buyer whether he be looking for a show beast or the best breeding stock.

All admirers of Shorthorn Cattle will be welcome at Helfred Farms on this occasion and trust the day will be a pleasurable and profitable one for you.

HELFRED FARMS.
F. W. Hubbell, Owner.
Chas. Garden, Mgr.

TERMS and CONDITIONS

All bulls are guaranteed to be breeders if not allowed to run with the herd. All females over 16 months of age on sale day are guaranteed to be breeders. The herd is federally accredited to be free from T. B. and has passed a negative abortion test. These cattle are sold subject to a sixty day retest for tuberculosis and to comply with the health requirements of any state into which they are shipped. The failure of any animal to meet this guarantee must be reported within sixty days of the date of sale.

Certificates of registry and transfers of ownership as well as applications for registry for calves sold in dam, will be furnished to buyers free of charge.

Cattle will be loaded free of charge on the Rock Island at Commerce or Chicago and Great Western at Orillia. All animals at owners risk when bid off but reasonable care will be taken to prevent any accident.

The sale will be held in our sale pavilion on the farm, starting at one o'clock. Parties from a distance are requested to stop at Hotel Kirkwood, sale headquarters in Des Moines, from which place transportation will be furnished to and from the farm on sale day. Lunch will be served on the farm at noon by ladies of the Commerce Methodist Church.

Terms: Cash.

Auctioneers: A. W. Thompson, Lincoln, Nebraska, and J. E. Halsey, Des Moines, Iowa.

Mail bids may be sent in care of Helfred Farms, Rt. 6, Des Moines, to Will Johnson, or Clint Tomson of the Shorthorn World; J. E. Halsey of Wallaces' Farmer; Frank Richards of The Corn Belt Dailies or to F. W. Harding, Secretary of The American Shorthorn Breeders' Association.

Helfred Farms' Best Offering

"Helfred Farms will hold a sale by auction at the farm." That is news that every Shorthorn man will hear with interest and enthusiasm. It will make him take down his calendar and study his engagements and make plans to go to Des Moines, Iowa, on Saturday, November 19th. This will be Helfred Farms sixth annual sale. Each year, the sales have been more attractive than that of the preceding year.

Owner F. W. Hubbell has determined to produce and to distribute, by sale by auction, the best Shorthorns that can be grown. His manager, Chas. Garden, has worked industriously to put that determination into effect. Herdsmen, Cecil Garden and John Jones, are enthusiastically eager that such an accomplishment will be reached. Fred Hubbell laid the foundation for success by starting his herd with the best breeding matrons that were obtainable and has made rapid progress by the use of bulls that have won grand championships by their excellence of type and character and have had the prepotence that has enabled them to reproduce grand champion and first prize winning progeny.

Each year the Helfred herd has improved. Its representatives on the show circuit have been and now are winning more prizes than any equal number of their competitor's show cattle. Each year the sale offerings have been more desirable. A greater number of the cattle to be sold have been bred in this herd. They show only Helfred bred exhibits except an occasional bull bought for herd heading purposes.

This year's show herd has made a record second to none at the prominent shows at which it has been exhibited. This year's sale selections are second to none in quality, type, character and excellence of pedigree. There are winning bulls and females listed in the catalog but whether or not these cattle have been shown, every one is a highly desirable breed improver, the sort that should be used by all breeders of Shorthorns and the sort that will be used by most intelligent and progressive breeders.—Will Johnson of The Shorthorn World.

The uniform and quite outstanding excellence of the 1938 Helfred Sale offering is a tribute to the fine accomplishments of Fred Hubbell and Charles Garden who have worked together since the founding of the firm as owner and manager. A thorough analysis of the offering will disclose the fact that it is by far their greatest offering, and to those of you who are familiar with Helfred productions, this should have some significance. On November 19th, you will be given an opportunity to appraise this Sale Offering at its worth to you, and it has been proven conclusively that the best investments have been made in high quality cattle. When it costs so little more to own a good one, take advantage of the opportunity. Take a tip from me,—and attend this sale.

Clinton K. Tomson of The Shorthorn World.

We consider this bull to be one of the best bulls we have ever produced. We were unable to get a good picture of him this year. This picture does not do him justice. He is a good bull at all times with a grand head, thick and very evenly fleshed with deep hind quarters. He stands on short straight legs with the heaviest flat bone you will ever find on a bull. His dam is a beautiful red cow that was a winner at a number of our best shows. We hope he will go to some herd where he will be appreciated and have a chance to prove his ability as a sire. We reserve the right to show this bull at the International and San Francisco.
